Health Insurance

After You Retire

Presented by Guerren Solbach

UC DAVIS
HEALTH CARE FACILITATOR PROGRAM
Objective: Answer These Questions

• Which health & welfare benefits can continue into retirement?
• Who is eligible for retiree health?
• How much will you have to pay?
• What about Medicare?
• Is UC planning to cancel retiree health insurance? (No)
Health & Welfare Benefits
Health & Welfare Benefits

• Retirees may continue into retirement:
  – Medical, Dental, and Legal

• Vision:
  – VSP: Retiree can pay full premium to VSP
    • Frame allowance: $150 ($20 more vs. employee VSP)
    • $55 copayment for progressive lenses
  – Health Net & Kaiser cover eye glasses for members with Medicare
More on Health & Welfare Benefits

• AD&D: retiree plan is available through direct payment to Prudential

• Life Insurance ends
  – May convert to individual policy through the Prudential

• Disability Insurance ends last day actively at work or on vacation

• Auto/Home/Renters’ Insurance
  – Continue through direct payment to California Casualty

• Health FSA/Dependent Care FSA/TIP end
Eligibility
Eligibility for Retiree Health

• Medical & Dental insurance may continue into retirement:
  – UC Retirement Plan (UCRP) members must elect *monthly* retirement income
  – Must retire within 120 days of terminating UC employment
  – Insurance coverage must be continuous

• If you elect a **lump sum cashout**, you forfeit UC health insurance
When did you join UCRP?

• **Before 1/1/1990:**
  – Ages 50-54: Must have 10 years of service credit
  – Age 55+: Must have 5 years of service credit
  – Must not have had a break in service of more than 120 days
  – Eligible for 100% of UC’s maximum contribution toward medical and dental insurance

• **On or after 1/1/1990:** *Graduated Eligibility*

• **On or after 7/1/2013:**
  – Come back and see me in 20 years...
Graduated Eligibility

- Percentage of UC’s maximum contribution based on full years of UCRP service credit

Health Insurance After You Retire
**Example A (2017)**

- Employee with 20 years of UCRP service credit retires with Health Net Blue & Gold (non-Medicare)
- Total premium: $702.33/month
- Max UC contribution: $476.47
- Net cost to retiree: $225.86
50% of UC’s Contribution

Sample Premium (+Medicare)
Example B (2017)

- Employee with 10 years of UCRP service credit retires with Health Net Blue & Gold (non-Medicare)
- Total premium: $702.33/month
- UC contribution: $238.24 (50% of $476.47 = $238.24)
- Net cost to retiree: $464.09 ($702.33 - $238.24)
About Retiree Health Plans
About Retiree Health Plans

• Same medical & dental plans as employees
  – Exceptions to be discussed...

• If you will be eligible for retiree insurance
  – Ignore medical plan termination letter when campus coverage ends
  – Ignore COBRA continuation offer (CONEXIS)

• No “salary banding”
Changing Retiree Health Plans

• Open Enrollment

• Period of Initial Eligibility
  – Move outside HMO service area for 2+ months
  – Involuntary loss of other coverage
  – Addition of newly eligible family members

• Can suspend medical/dental coverage
Health Plan Premiums

- Medical Plan Chooser:
  http://uc.chooser.pbgh.org
    - Determine which medical plans are available by zip code
    - Compare medical plans side by side
    - Estimate medical plan premiums

- If eligible for Medicare, consider that cost
About Medicare

- Medicare is the federal health insurance program for those over 65 and some disabled
  - Part A (Hospital): premium-free for most
  - Part B (Medical): costs $134.00/month for 2017 enrollees
    - Costs more if your MAGI > $85,000 ($170K for couples)
- UC relies on Medicare to offset the cost of insurance
- Medicare-coordinated plans usually cost less
100% of UC’s Contribution

UC Contribution

Sample Premium

Sample Premium (+ Medicare)
Example C (2017)

- Employee with 20 years of UCRP service credit retires with Medicare and Health Net
- Total Premium: $392.08/month
- Max UC contribution: $328.02
- Health Net premium paid by retiree: $64.06 ($392.08 - $328.02)
- Part B premium: $134.00
- Net cost to retiree: $198.06 ($134.00 + $64.06)
100% of UC’s Contribution

Part B reimbursement

UC Contribution

Sample Premium (+Medicare)
Example D (2017)

- Employee with 20 years of UCRP service credit retires with Medicare and Kaiser Permanente
- Total Premium: $252.42/month
- Max UC contribution: $328.02
- Part B premium: $134.00
- Part B reimbursement: $75.60 ($328.02 - $252.42)
- Net cost to retiree: $58.40 ($134.00 - $75.60)
Health Insurance After You Retire

UC’s Medicare Requirements

- **Retirees** (not employees) and their family members must enroll in Medicare Part B:
  - If they are enrolled in medical insurance
  - If they are eligible for Part A free of charge

- You can be eligible for Part A for free **through** a current or former spouse, even if you didn’t pay in to Social Security
Medicare & HMOs

• Medicare Advantage plans
  – If you have Medicare A & B, and you are enrolled in an HMO, you must assign your Medicare benefits to the HMO (by form)
  – Medicare pays a flat monthly fee to the insurance company
  – Medicare cannot be used separately from the Medicare Advantage plan

</tbody>
</table>
Medicare & Anthem Blue Cross

- **Medicare primary;** Anthem Blue Cross plan secondary
- **Medicare-certified providers must be used**
  - 96% of U.S. physicians participate in Medicare*
  - Ask if accepting new Medicare patients

Medicare & UC Health Savings Plan

- Employees who retire with UC Health Savings Plan can keep it into retirement until/unless they (or covered family members) are eligible for Medicare
- Not offered to retirees

</tbody>
</table>
Medicare Part D

• Outpatient prescription drug benefit
• Subsidizes medical plan premiums
• The $R_x$ coverage of UC medical plans is equivalent to or better than Part D
  – Considered creditable coverage
  – You may be asked about past $R_x$ coverage
• Formulary may differ from non-Medicare plan
More on Part D

• Retirees with Medicare must complete a form
• No additional Part D premium
  – Exception: high income enrollees
• Complicates or prevents double coverage
• Enrollment in another Part D plan may result in loss of UC coverage
Medicare retirees outside CA

- Local coverage through OneExchange
  - Sells Medicare supplement plans inside U.S.A.
- All covered family members must have Medicare
- Does not affect Dental/Vision/Legal coverage
OneExchange outside CA

- UC provides premium support
  - Health Reimbursement Account (HRA)
  - $3,000 per covered person
    - Subject to graduated eligibility
- Use HRA money to buy Medigap or Medicare Advantage plans, pay for Medicare Parts B/D
When you get your Medicare card...

Call the HCF Program when you get your card showing enrollments in Parts A & B

The Future
What does the future hold?

- Premiums continue to rise
- As of 2016, 24% of large firms (200+ employees) offered retiree health insurance*
  - Down from 32% in 2005 and 66% in 1988*

* Source: Kaiser Family Foundation Employer Health Benefits 2016 Annual Survey
Funding health insurance

• UC’s contribution to health insurance is **not guaranteed** to employees or retirees

• Employee premiums: paid by department

• Retiree premiums:
  
  – **Campus assessment fee:** $2.93 per $100 of employee covered compensation for FY 2016

  – Not funded by the UC Retirement Plan
Future of insurance through UC

• The University intends to continue retiree health insurance
  – Helps recruit and retain employees
  – As a socially responsible institution, UC doesn’t want to add to the uninsured
Post-Employment Benefits Task Force

• 3% per year reduction of the UC contribution (as a percentage of total premiums) to a floor of 70%
  – 2016: 70% for non-Medicare; 74% w/ Medicare
  – 2017: 70% for non-Medicare; 71% w/ Medicare

• Protect age 65+ retirees ineligible for Medicare
  – Rates linked to rates for employees in Salary Band 2

• New Graduated Eligibility rules eff. 7/1/2013
Conclusion
Conclusion

Whether you’re an employee or a retiree, the HCF Program:

• Provides education and assistance with UC health plans and Medicare

• Provides assistance to those coordinating with Medicare for the first time

• Serves 20,800 active employees; 8,290 retirees
