- Support Group Meetings: June 15, July 20, 12:00-1:00, Room C SCC

World Breastfeeding Week 2018

World Alliance for Breastfeeding Action (WABA) is a global network of individuals and organizations concerned with the protection, promotion and support of breastfeeding worldwide. Each year, WABA coordinates the annual World Breastfeeding Week campaign working with several international and national organizations.

In observance of this celebration, we will be hosting a series of presentations to promote and address the objectives of this 2018 campaign – inform, anchor, engage and galvanize. Look for a flyer with more details in July.

Schedule of events:

- July 23, 11:30-12:30, Topic TBD, UC Davis Center for Mind and Brain, Dr. Jennifer Smilowitz PhD.
- July 26, 6:00-8:00 pm, Science Café Conversation, Restoring the Infant Gut Microbiome. Dr. Jennifer Smilowitz. Old Soul @ Forty Acres, 2424 Broadway
- August 1, 12:00-1:00, Shirley German, Accomplishing Breastfeeding Goals, Hutchison Child Development Center

- Mother-to-Mother Support Group, 11:30-12:30, July 13

Gratitude

Barbara Ashby, the founder of the UC Davis Breastfeeding Support Program, is retiring the end of June. She was an early trailblazer in workplace breastfeeding support and tirelessly campaigned to build what we have today. As a UC Davis Graduate Student in the 80’s, Barbara pumped in the restrooms. Employed in 1990 at UC Davis, she established the BFSP in 1994 and built the program, collecting numerous awards and accolades along the way, to its current programming of resources, support groups, consults, and 70 lactation rooms with hospital grade pumps. We all owe Barbara a great deal of gratitude. Barbara is looking forward to her move to the Midwest to be near her children and grandchildren, to continue her Reiki practice, take up birding, and travel with her husband.

Thank you to all who completed the BFSP survey. The results and comments are valuable to us to best meet your needs and for planning continuous improvements to the extent of our influences.
**Kudos to us!**

The International Board of Lactation Consultant Examiners® (IBLCE®) and International Lactation Consultant Association® (ILCA®) have recognized UC Davis WorkLife and Wellness Breastfeeding Support Program for excellence in lactation care.

UC Davis Worklife and Wellness has received the IBCLC Care Award, for the third two-year period, in recognition for staffing professionals who hold the prestigious International Board Certified Lactation Consultant® (IBCLC®) certification and providing a lactation program for breastfeeding families. In addition, the facility demonstrated that it has recently completed activities that help protect, promote, and support breastfeeding.

This year, we received this recognition for the following projects:

- **Support and Education of Managers/Supervisors** -- raising their awareness of leave options, university policies and programs, and assisting them in supporting their pregnant/breastfeeding employees;
- **Promote, Protect and Support lactation services to all our UC Davis affiliates** -- most notably our Primary Care Network, medical offices;
- **Promote and Support the San Jose Mothers’ Milk Bank** -- educating, supporting and providing our community the opportunity to contribute to the need for extra breast milk for our most vulnerable infant populations;
- **Raise awareness of the BFSP** -- increasing our visibility with branding and resources for our program participants;
- **Provide Support to our UC Peer Offices** -- counseling our UC peer offices on best practices for providing breastfeeding services on their campus and for their affiliates;
- **Promote program expansion at UC Davis Health** -- increasing the availability and accessibility of lactation sites and multi-user breast pumps on our Sacramento campus;
- **Enhanced Room Décor** -- improving the look and feel of older lactation rooms making these rooms more welcoming to mothers that are expressing.

**News and Bits**

- Use [this link](http://www.ibclccare.org/directory.html) to get a copy of the most up-to-date site list and Google map.
- The UC Davis Bookstore (MU) carries the Ameda pump attachment kits for the pumps in the campus lactation rooms. They cost $59.99. Online retail giants have them priced around $75.00. They can be found in the Self Help/Health area.
- We will be opening a room in Voorhies Hall soon! Many thanks to the Building Maintenance Services folks for thinking of us in their upcoming restroom upgrade! This will provide a much needed room to better serve the eastern part of campus.
- We will be opening another room to cover the Cousteau area (202 Cousteau STE 260, Davis satellite) this fall thanks to DCM!

One of our favorite resources, The [Greater Good Science Center](https://greatergood.berkeley.edu) at UC Berkeley, works extensively with Christine Carter, who has an offshoot webpage, “Brave over Perfect” and is offering a class previously only available to subscribers, but now releasing it free for the summer. It’s based on part of her book, *Raising Happiness*, and is a course all about finding your own happiness as a parent. [Start the Course Here](https://greatergood.berkeley.edu红楼/book/58)

With family, summer vacations, and traveling upon us, we invite you to re-visit some of our archived newsletter articles:
